Keynote Speaker

Dr. Casey Reason

Dr. Casey Reason is a Dan Douglas Scholar from Bowling Green State University where he earned a doctorate in leadership studies. The author of seven books, his first book, *Leading a Learning Organization* was a Phi Delta Kappa International book of the year selection and was endorsed by friend and bestselling author, Dr. Ken Blanchard. His book, *Stop Leading Like it's Yesterday* was a finalist for IDNIEFAB non-fiction book of the year. A former personal trainer, teacher, principal, and superintendent, Dr. Reason works today as an

executive leadership coach, speaker, trainer and consultant. He's worked with CEOs and C Suite leaders from Fortune 100 companies like the Tata Group in India, American Express, Best Western, Origami Owl, and the Health and Tennis Corporation. He proudly has led, trained, and coached thousands to best-ever levels of performance. An avid hiker and traveler, he lives with his twin sons Brice and Kiah in Scottsdale, Arizona.

Commencement Regalia

Academic regalia (cap, gown, and hood) in the United States has been influenced by the academic dress traditions of Europe. This includes a long flowing gown, usually black, and sleeves that are indicative of the degree obtained. Master's-level sleeves have pointed cuffs, while doctoral level sleeves have three velvet, black trim stripes.

Students at the graduate and doctoral levels receive the academic hood as a visual representation to his or her level of academic achievement and discipline in which the degree is held.

Academic hoods have several components:

Shell: The shell material of the hood typically matches the robe. This is traditionally black.

Interior Lining: Typically satin, the interior indicates the colors of the institution from which the graduate received the degree. Aspen University's hoods have a blue interior lining.

Trim: The outer edge of the cowl is trimmed in velvet or velveteen. The color of the velvet/velveteen hood trimming is distinctive of the academic field and varies by major.

Aspen University's hood colors:

Business Degree: Drab (light brown)

Criminal Justice Degree: Navy

Education Degree: Light Blue

Nursing Degree: Apricot

Psychology and Addiction Counseling Degree: Sun Gold

Technology Degree: Yellow Gold

Honor Cords

Colorful honor cords have a tassel on each end, and they are worn around the honoree's neck, so that the strands hang down the graduation gown, signifying academic achievements. Honor cords recognize academic excellence achieved throughout the duration of a student's entire academic career. Eligibility for the three categories of undergraduate Latin Honors (Summa Cum Laude, Magna Cum Laude, & Cum Laude) is based on the cumulative grade point average for all course work at Aspen University. Students are recognized at Commencement with honors levels:

Summa Cum Laude, meaning "with highest honor"

Magna Cum Laude, meaning "with great honor"

Cum Laude, meaning "with honor"

Military Honor Cords

Students who are active duty US military, veterans, or military/DoD affiliates and their family members will be honored with a red, white, and blue braided cord.

Nursing Honor Cords

Students who have been accepted into Aspen University's nursing honor society will be honored with a purple and lavender braided cord.

DET Honor Cords

Students who have completed their degrees with at least a 3.5 GPA and joined the Delta Epsilon Tau honor society, run by Aspen University's accreditor, DEAC, can bring their own navy and red braided cord.

The students listed herein meet one of the following requirements:

1. Graduated between June 1, 2018 and June 1, 2019
2. Petitioned to walk in the 2019 Commencement Ceremony and were within 6 credits of graduating as of June 1, 2019

Nursing Honor Society

The Aspen University Nursing Honor Society was established in 2017 and is currently in the process of applying to become a Chapter of Sigma Theta Tau. Becoming a member of the Nursing Honor Society reflects a higher level of commitment, either as a student or a professional. It attests to not only academic excellence, but leadership, service, and character, and confirms the tremendous ability to push beyond the status quo into the realm of excellence. To be a member, one must have a strong grasp on continual growth both personally and for the future of our nursing profession.

Members of the Honor Society are aligned with like-minded individuals who respect nursing at the highest level and understand how essential the fundamental attitude of peer support is across the spectrum to grow and develop as nurses. In that regard, Nursing Honor Society members associate with each other, and with a larger group of persons from all over the earth, that are driven towards higher academic standings and also those with strong leadership skills. Members of the Honor Society have a wide array of backgrounds and many are great mentors to others. Support of other nurses and of students striving to gain higher academic status assists in the continued support of Evidence Based Practices, which includes promotion of safe care and quality nursing services and allowing the member to identify best practice approaches for caring for clients with diverse experiences. Membership allows for individual and professional growth - as we engage with other professionals, we are able to expand our horizons. As members of the honor society, we have an opportunity to change lives and advance healthcare.

Delta Epsilon Tau Honor Society

Aspen University recognizes the extraordinary high academic achievements and leadership of our outstanding students in the Delta Epsilon Tau National Honor Society. To recognize the academic achievements of students who study at a distance, Aspen University joined the Delta Epsilon Tau Honor Society — successfully establishing our Alpha of Colorado Chapter. Membership in this Honor Society brings honor and earned recognition to individuals who have worked diligently to acquire new knowledge and skills from an accredited distance learning institution.

All students within the Delta Epsilon Tau Honor Society have graduated with a minimum of a 3.5 GPA, actively participated in Aspen University, and demonstrated commitment to distance education and learning.

Membership sets students apart and clearly demonstrates commitment to distance education and self-study. You may notice honor society members today, in their red and navy braided cords. By words and example, the Members of the Delta Epsilon Tau Honor Society reflect the qualities found in true leaders.

Nursing Pins

The earliest ancestor of the pin dates back to the Maltese, adopted by crusaders and worn on their habits as a symbol of service to Christianity. Over the centuries, variations of the crusader's symbol were gradually modified and became family coats of arms, often symbolizing service to a ruler. By the Renaissance, guilds had adopted coats of arms symbolizing masterful service to the community. The most recent usage of the pin is the hospital badge of 100 years ago. It was given by the hospital school of nursing to the students to identify them as nurses who were educated to serve the health needs of society. This symbol of service involves many professional rights and responsibilities. Nursing pins are traditionally presented to the recently graduated nurses by the faculty at a pinning ceremony as a symbolic welcome into the nursing profession.

Florence Nightingale Pledge

This modified "Hippocratic Oath" was composed in 1893 by Mrs. Lystra E. Gretter and a Committee for the Farrand Training School for Nursing, Detroit, Michigan. It was called the Florence Nightingale Pledge as a token of esteem for the founder of modern nursing.

I solemnly pledge myself before God and in the presence of this assembly, to pass my life in purity and to practice my profession faithfully. I will abstain from whatever is deleterious and mischievous, and will not take or knowingly administer any harmful drug. I will do all in my power to maintain and elevate the standard of my profession, and will hold in confidence all personal matters committed to my keeping and all family affairs coming to my knowledge in the practice of my calling. With loyalty will I endeavor to aid the physician in his work, and devote myself to the welfare of those committed to my care.
