Organizational Factors Influence Data Mining Project Success

Commencement Regalia

Academic regalia (cap, gown, and hood) in the United States has been influenced by the academic dress traditions of Europe. This includes a long flowing gown, usually black, and sleeves that are indicative of the degree obtained. Graduate-level sleeves have pointed cuffs, while doctoral-level sleeves have three velvet, black trim stripes.

Students at the graduate and doctoral levels receive the academic hood as a visual representation of their academic achievement and the discipline in which the degree is held.

Academic hoods have several components:

Shell: The shell material of the hood typically matches the robe. This is traditionally black.

Interior Lining: Typically satin, the interior indicates the colors of the institution from which the graduate received the degree.

Aspen University's hoods have a blue interior lining.

Trim: The outer edge of the cowl is trimmed in velvet or velveteen. The color of the velvet/velveteen hood trimming is distinctive of the academic field and varies by major.

Aspen University's hood colors:

Business Degree: Drab (light brown)

Criminal Justice Degree: Navy

Education Degree: Light Blue

Nursing Degree: Apricot

Psychology and Addiction Studies Degree: Sun Gold

Technology Degree: Yellow Gold

Honor Cords

Academic Honor Cords

Colorful honor cords have a tassel on each end, and they are worn around the honoree's neck, so that the strands hang down the graduation gown, signifying academic achievements. Honor cords recognize academic excellence achieved throughout the duration of a student's entire academic career. Eligibility for the three categories of undergraduate Latin Honors (Summa Cum Laude, Magna Cum Laude, & Cum Laude) is based on the cumulative grade point average for all coursework at Aspen University.

Undergraduate students are recognized at Commencement with honors levels:

Summa Cum Laude, meaning "with highest honor"

Magna Cum Laude, meaning "with great honor"

Cum Laude, meaning "with honor"

Graduate students who have achieved academic excellence are recognized at Commencement as having graduated **with distinction**.

Military Honor Cords

Students who are active duty US military, veterans, or military/DoD affiliates and their family members will be honored with a red, white, and blue braided cord.

Honor Society Cords

Students who have been accepted into Aspen University's nursing honor society can wear a purple and lavender braided cord.

Students who have been accepted into Aspen University's leadership honor society can wear a black and silver cord.

Students who have completed their degrees with at least a 3.5 GPA and joined the Delta Epsilon Tau honor society, run by Aspen University's accreditor, DEAC, can wear a navy and red braided cord.

Latin Honors

Undergraduate Honor Cords

Students who have earned the following GPA will be honored with the corresponding cord:

Gold Cord: Summa Cum Laude (3.9-4.0)

Silver Cord: Magna Cum Laude (3.7-3.89)

Bronze Cord: Cum Laude (3.5-3.69)

Graduate & Doctoral Honor Cords

Students who have earned the following GPA will be honored with the corresponding cord:

Blue & White Braided Cord: with distinction (3.8-4.0)

Honor cord eligibility is determined using the student's cumulative GPA during the first week of October 2023.

Sigma Theta Tau Honor Society

The Aspen University Nursing Honor Society was established in 2017 and is a Chapter of Sigma Theta Tau. Becoming a member of the Nursing Honor Society reflects a higher level of commitment, either as a student or a professional. It attests to not only academic excellence, but leadership, service, and character, and confirms the tremendous ability to push beyond the status quo into the realm of excellence. To be a member, one must have a strong grasp on continual growth both personally and for the future of our nursing profession.

Members of the Honor Society are aligned with like-minded individuals who respect nursing at the highest level and understand how essential the fundamental attitude of peer support is across the spectrum to grow and develop as nurses. In that regard, Nursing Honor Society members associate with each other, and with a larger group of persons from all over the earth, that are driven towards higher academic standings and also those with strong leadership skills. Members of the Honor Society have a wide array of backgrounds and many are great mentors to others. Support of other nurses and of students striving to gain higher academic status assists in the continued support of Evidence Based Practices, which includes promotion of safe care and quality nursing services and allowing the member to identify best practice approaches for caring for clients with diverse experiences. Membership allows for individual and professional growth - as we engage with other professionals, we are able to expand our horizons. As members of the honor society, we have an opportunity to change lives and advance healthcare.

Delta Epsilon Tau Honor Society

Aspen University recognizes the extraordinarily high academic achievements and leadership of our outstanding students in the Delta Epsilon Tau National Honor Society. To recognize the academic achievements of students who study at a distance, Aspen University joined the Delta Epsilon Tau Honor Society — successfully establishing our Alpha of Colorado Chapter. Membership in this Honor Society brings honor and earned recognition to individuals who have worked diligently to acquire new knowledge and skills from an accredited distance learning institution.

All students within the Delta Epsilon Tau Honor Society have graduated with a minimum of a 3.5 GPA, actively participated in Aspen University, and demonstrated commitment to distance education and learning.

Membership sets students apart and clearly demonstrates commitment to distance education and self-study. You may notice honor society members today, in their red and navy braided cords. By words and example, the Members of the Delta Epsilon Tau Honor Society reflect the qualities found in true leaders.

National Society of Leadership and Success

The National Society of Leadership and Success is the nation's largest leadership honor society. In addition to honoring excellence, the NSLS provides Aspen students with a step-by-step accredited program to build their leadership skills and potentially earn college credit.

Upon induction, members receive their leadership certificate and take their place among the top student leaders on their campus and across the country. Membership is for life and provides access to benefits including scholarships and awards, employer recruitment through an online job bank, and discounts on computers, textbooks, grad school prep courses, insurance, and much more.

The Aspen University Chapter of NSLS was established in 2022.

Nursing Pins

The earliest ancestor of the pin dates back to the Maltese, adopted by crusaders and worn on their habits as a symbol of service to Christianity. Over the centuries, variations of the crusader's symbol were gradually modified and became family coats of arms, often symbolizing service to a ruler. By the Renaissance, guilds had adopted coats of arms symbolizing masterful service to the community. The most recent usage of the pin is the hospital badge of 100 years ago. It was given by the hospital school of nursing to the students to identify them as nurses who were educated to serve the health needs of society. This symbol of service involves many professional rights and responsibilities. Nursing pins are traditionally presented to the recently graduated nurses by the faculty at a pinning ceremony as a symbolic welcome into the nursing profession.

Nursing Pledge

This pledge is adapted from the American Nurses Association Code of Ethics.

I, as a nurse, practice with compassion and respect for the inherent dignity, worth, and unique attributes of every person.

I, as a nurse, acknowledge that my primary commitment is to the patient, whether an individual, family, group, community or population.

I, as a nurse, promote, advocate for, and protect the rights, health, and safety of the patient.

I, as a nurse, have the authority, accountability, and responsibility for nursing practice; make decisions, and take actions consistent with the obligation to provide optimal patient care.

I, as a nurse, owe the same duty to myself as to others, including the responsibility to promote health and safety, preserve wholeness of character and integrity, maintain competence, and continue personal and professional growth.

I, as a nurse, through individual and collective effort, establish, maintain, and improve the ethical environment of the work setting and conditions of employment that are conducive to safe, quality health care.

I, as a nurse, in all roles and settings, advance the profession through research and scholarly inquiry, professional standards development, and the generation of both nursing and health policy.

I, as a nurse, collaborate with other health professionals and the public to protect human rights, promote health diplomacy, and reduce health disparities.

I, as a nurse, work through my professional organizations to articulate nursing values, maintain the integrity of the profession, and integrate principles of social justice into nursing and health policy.
