and Health Sciences

Confirmation of Degree Candidates- Brianne Bell, Senior Director
of Human Resources

Closing Remarks- Dr. Joanne Weiss, Provost and Dr. Cheri St.
Arnauld, President

Recessional- *Higher Ground*, Stevie Wonder

Academic Leadership

Dr. Cheri St. Arnauld, President and Chief Academic Officer

Dr. Joanne Weiss, Provost

Dr. Eva Ballard, Dean, School of Education

Dr. Daniel Zimmerman, Dean, School of Business and Technology

Dr. Marcos Gayol, Dean, Nursing and Health Sciences

Student Speakers

Erica Montoya

Erica Montoya, born and raised in Santa Fe, New Mexico, overcame early challenges, losing her parents to addiction during high school. Despite this, she excelled in the arts and dance, while also earning her CNA certificate. Her frontline work during the COVID-19 pandemic as an RN showcased her dedication. Now pursuing higher education, Erica aims to make healthcare more accessible through her innovative business ventures. She's a beacon of hope and determination, poised to leave a lasting impact on her community and beyond.

Jessica Swanson

Jessica Swanson, daughter of Richard and Joy Swanson, is a dynamic educator and committed community leader, whose career spans 25 years of dedicated service in the field of education. Her relentless curiosity and passion for teaching were cultivated early in her life by her parents. Throughout her career, Jessica has made a significant impact in the classroom and is known for her international and local community service. As she looks to the future, Jessica remains committed to her mission of educating and uplifting others. With a wealth of experience and an unwavering passion for learning, she continues to inspire those around her, demonstrating that education is not just a profession but a lifelong journey. Jessica holds a B.M.E. from The University of Northern Iowa, an M.Ed. from Concordia, Irvine, and an Ed.D. from Aspen University, is a member of Delta Epsilon Tau, holds board positions with Redlands Theatre Festival and California Music Educators Association, is founder and conductor of San Bernardino's Empire Wind Ensemble, and was named a Paul Harris Fellow in 2008.

Doctoral Award Winner

Aspen University would like to recognize the following doctoral candidate for their outstanding academic achievements.

Dissertation of the Year

Jessica Swanson, Doctor of Education in Leadership and Learning,
K-12 Educational Leadership

Toward a Theory of Cross-Gender Mentorships Among K-12 Superintendents

Commencement Regalia

Academic regalia (cap, gown, and hood) in the United States has been influenced by the academic dress traditions of Europe. This includes a long flowing gown, usually black, and sleeves that are indicative of the degree obtained. Graduate-level sleeves have pointed cuffs, while doctoral-level sleeves have three velvet, black trim stripes.

Students at the graduate and doctoral levels receive the academic hood as a visual representation of their academic achievement and the discipline in which the degree is held.

Academic hoods have several components:

Shell: The shell material of the hood typically matches the robe. This is traditionally black.

Interior Lining: Typically satin, the interior indicates the colors of the institution from which the graduate received the degree. Aspen University's hoods have a blue interior lining.

Trim: The outer edge of the cowl is trimmed in velvet or velveteen. The color of the velvet/velveteen hood trimming is distinctive of the academic field and varies by major.

Aspen University's hood colors:

Business Degree: Drab (light brown)

Education Degree: Light Blue

Nursing Degree: Apricot

Psychology and Addiction Studies Degree: Sun Gold

Technology Degree: Yellow Gold

Honor Cords

Academic Honor Cords

Colorful honor cords have a tassel on each end, and they are worn around the honoree's neck, so that the strands hang down the graduation gown, signifying academic achievements. Honor cords recognize academic excellence achieved throughout the duration of a student's entire academic career. Eligibility for honors is based on the cumulative grade point average for all coursework at Aspen University.

Students who have achieved academic excellence are recognized at Commencement as having graduated **with honors**.

Military Honor Cords

Students who are active duty US military, veterans, or military/DoD affiliates and their family members will be honored with a red, white, and blue braided cord.

Honor Society Cords

Students who have been accepted into Aspen University's nursing honor society can wear a purple and lavender braided cord.

Students who have been accepted into Aspen University's leadership honor society can wear a black and silver cord.

Students who have completed their degrees with at least a 3.5 GPA and joined the Delta Epsilon Tau honor society, run by Aspen University's accreditor, DEAC, can wear a navy and red braided cord.

Latin Honors

Undergraduate Honor Cords

Students who have earned the following GPA will be honored with the corresponding cord:

Gold Cord: (3.5-4.0)

Graduate & Doctoral Honor Cords

Students who have earned the following GPA will be honored with the corresponding cord:

Blue & White Braided Cord: with distinction (3.8-4.0)

Platinum Cord: students who qualified for the Provost's List

Honor cord eligibility is determined using the student's cumulative GPA during the first week of September 2024.

Sigma Theta Tau Honor Society

The Aspen University Nursing Honor Society was established in 2017 and is a Chapter of Sigma Theta Tau. Becoming a member of the Nursing Honor Society reflects a higher level of commitment, either as a student or a professional. It attests to not only academic excellence, but leadership, service, and character, and confirms the tremendous ability to push beyond the status quo into the realm of excellence. To be a member, one must have a strong grasp on continual growth both personally and for the future of our nursing profession.

Members of the Honor Society are aligned with like-minded individuals who respect nursing at the highest level and understand how essential the fundamental attitude of peer support is across the spectrum to grow and develop as nurses. In that regard, Nursing Honor Society members associate with each other, and with a larger group of persons from all over the earth, that are driven towards higher academic standings and also those with strong leadership skills. Members of the Honor Society have a wide array of backgrounds and many are great mentors to others. Support of other nurses and of students striving to gain higher academic status assists in the continued support of Evidence Based Practices, which includes promotion of safe care and quality nursing services and allowing the member to identify best practice approaches for caring for clients with diverse experiences. Membership allows for individual and professional growth - as we engage with other professionals, we are able to expand our horizons. As members of the honor society, we have an opportunity to change lives and advance healthcare.

Delta Epsilon Tau Honor Society

Aspen University recognizes the extraordinarily high academic achievements and leadership of our outstanding students in the Delta Epsilon Tau National Honor Society. To recognize the academic achievements of students who study at a distance, Aspen University joined the Delta Epsilon Tau Honor Society — successfully establishing our Alpha of Colorado Chapter. Membership in this Honor Society brings honor and earned recognition to individuals who have worked diligently to acquire new knowledge and skills from an accredited distance learning institution.

All students within the Delta Epsilon Tau Honor Society have graduated with a minimum of a 3.5 GPA, actively participated in Aspen University, and demonstrated commitment to distance education and learning.

Membership sets students apart and clearly demonstrates commitment to distance education and self-study. You may notice honor society members today, in their red and navy braided cords. By words and example, the Members of the Delta Epsilon Tau Honor Society reflect the qualities found in true leaders.

National Society of Leadership and Success

The National Society of Leadership and Success is the nation's largest leadership honor society. In addition to honoring excellence, the NSLS provides Aspen students with a step-by-step accredited program to build their leadership skills and potentially earn college credit.

Upon induction, members receive their leadership certificate and take their place among the top student leaders on their campus and across the country. Membership is for life and provides access to benefits including scholarships and awards, employer recruitment through an online job bank, and discounts on computers, textbooks, grad school prep courses, insurance, and much more.

The Aspen University Chapter of NSLS was established in 2022.

Nursing Pledge

This pledge is adapted from the American Nurses Association Code of Ethics.

As a nurse, I pledge to practice with compassion and respect for the dignity and individuality of every person, embodying a caring approach in all I do.

My foremost responsibility is to my patients—individuals, families, and communities—whom I advocate for with dedication and vigilance.

I embrace the accountability of my practice, making informed decisions to ensure optimal nursing care.

I recognize that my duty to myself reflects my duty to others, emphasizing health, safety, integrity, and professional growth.

I strive to foster an ethical work environment that promotes safe, high-quality healthcare and caring relationships.

I am committed to advancing nursing through research and the development of higher standards that prioritize care.

I engage with professional organizations to advocate for nursing values and integrate social justice principles into healthcare policies.

I collaborate with others to safeguard human rights, promote health equity, and address disparities, always focusing on increased patient outcomes.

Aspen University
