She's been teaching yoga at Stanford University where she specialized in yoga for mental health. She received her Doctorate in Education Leadership and Learning specializing in Organizational Leadership from Aspen University.

Cherish Ingalls

Cherish Ingalls lives in Groves, Texas with her husband and children who recently completed her BS Early Childhood Education with Aspen University. She is a math and history teacher at Little Cyprus Christian Academy in Orange, Texas. She has been inspired to complete her degree and strive for more by her friends, family, and coworkers. Her biggest motivation has been her husband, Nathan, and her 4 beautiful children: Carsten, Amelia, Madelyn, and Andie. Cherish plans to continue teaching. Her long-term goals include writing a book on motherhood and speaking life into other women.

Judith Evans

Judith (Judy) Evans BSN is proud to be a nurse serving her community in Northern Michigan. She graduated from Mid-Michigan Community College in 1997 as an LPN. She then earned an ADN (RN) in 1998 while continuing to work full-time. Over her 24-years of experience in healthcare at Mid-Michigan Health University of Michigan Health System, she has worked with patients spanning from newborn to geriatric. She loves working as a float resource RN in all inpatient and emergency departments and as a casual supervisor. She worked full-time and overtime during the COVID-19 pandemic while attending Aspen University, earning her BSN in June 2021. She has been married 37 years to Scott and is the mother of two brilliant young adults. In addition, she is blessed with three amazing grandchildren. Judy's bucket list includes "Glamping" at Disney World in her new travel trailer (her 60th birthday gift). Commencement Regalia

Academic regalia (cap, gown, and hood) in the United States has been influenced by the academic dress traditions of Europe. This includes a long flowing gown, usually black, and sleeves that are indicative of the degree obtained. Graduate-level sleeves have pointed cuffs, while doctoral level sleeves have three velvet, black trim stripes.

Students at the graduate and doctoral levels receive the academic hood as a visual representation of their academic achievement and the discipline in which the degree is held.

Academic hoods have several components:

Shell: The shell material of the hood typically matches the robe. This is traditionally black.

Interior Lining: Typically satin, the interior indicates the colors of the institution from which the graduate received the degree.

Aspen University's hoods have a blue interior lining.

Trim: The outer edge of the cowl is trimmed in velvet or velveteen. The color of the velvet/velveteen hood trimming is distinctive of the academic field and varies by major.

Aspen University's hood colors:

Business Degree: Drab (light brown)

Criminal Justice Degree: Navy

Education Degree: Light Blue

Nursing Degree: Apricot

Psychology and Addiction Studies Degree: Sun Gold

Technology Degree: Yellow Gold

Honor Cords

Academic Honor Cords

Colorful honor cords have a tassel on each end, and they are worn around the honoree's neck, so that the strands hang down the graduation gown, signifying academic achievements. Honor cords recognize academic excellence achieved throughout the duration of a student's entire academic career. Eligibility for the three categories of undergraduate Latin Honors (Summa Cum Laude, Magna Cum Laude, & Cum Laude) is based on the cumulative grade point average for all course work at Aspen University.

Undergraduate students are recognized at Commencement with honors levels:

Summa Cum Laude, meaning "with highest honor"

Magna Cum Laude, meaning "with great honor"

Cum Laude, meaning "with honor"

Graduate students who have achieved academic excellence are recognized at Commencement as having graduated **with distinction**.

Military Honor Cords

Students who are active duty US military, veterans, or military/DoD affiliates and their family members will be honored with a red, white, and blue braided cord.

Nursing Honor Cords

Students who have been accepted into Aspen University's nursing honor society will be honored with a purple and lavender braided cord.

DET Honor Cords

Students who have completed their degrees with at least a 3.5 GPA and joined the Delta Epsilon Tau honor society, run by Aspen University's accreditor, DEAC, can bring their own navy and red braided cord.

List of Candidates

The students listed herein meet one of the following requirements:

1. Graduated between June 1, 2019 and August 1, 2021

Nursing Honor Society

The Aspen University Nursing Honor Society was established in 2017 and is currently in the process of applying to become a Chapter of Sigma Theta Tau. Becoming a member of the Nursing Honor Society reflects a higher level of commitment, either as a student or a professional. It attests to not only academic excellence, but leadership, service, and character, and confirms the tremendous ability to push beyond the status quo into the realm of excellence. To be a member, one must have a strong grasp on continual growth both personally and for the future of our nursing profession.

Members of the Honor Society are aligned with like-minded individuals who respect nursing at the highest level and understand how essential the fundamental attitude of peer support is across the spectrum to grow and develop as nurses. In that regard, Nursing Honor Society members associate with each other, and with a larger group of persons from all over the earth, that are driven towards higher academic standings and also those with strong leadership skills. Members of the Honor Society have a wide array of backgrounds and many are great mentors to others. Support of other nurses and of students striving to gain higher academic status assists in the continued support of Evidence Based Practices, which includes promotion of safe care and quality nursing services and allowing the member to identify best practice approaches for caring for clients with diverse experiences. Membership allows for individual and professional growth - as we engage with other professionals, we are able to expand our horizons. As members of the honor society, we have an opportunity to change lives and advance healthcare.

Delta Epsilon Tau Honor Society

Aspen University recognizes the extraordinary high academic achievements and leadership of our outstanding students in the Delta Epsilon Tau National Honor Society To recognize the academic achievements of students who study at a distance, Aspen University joined the Delta Epsilon Tau Honor Society — successfully establishing our Alpha of Colorado Chapter. Membership in this Honor Society brings honor and earned recognition to individuals who have worked diligently to acquire new knowledge and skills from an accredited distance learning institution.

All students within the Delta Epsilon Tau Honor Society have graduated with a minimum of a 3.5 GPA, actively participated in Aspen University, and demonstrated commitment to distance education and learning.

Membership sets students apart and clearly demonstrates commitment to distance education and self-study. You may notice honor society members today, in their red and navy braided cords. By words and example, the Members of the Delta Epsilon Tau Honor Society reflect the qualities found in true leaders.

Nursing Pins

The earliest ancestor of the pin dates back to the Maltese, adopted by crusaders and worn on their habits as a symbol of service to Christianity. Over the centuries, variations of the crusader's symbol were gradually modified and became family coats of arms, often symbolizing service to a ruler. By the Renaissance, guilds had adopted coats of arms symbolizing masterful service to the community. The most recent usage of the pin is the hospital badge of 100 years ago. It was given by the hospital school of nursing to the students to identify them as nurses who were educated to serve the health needs of society. This symbol of service involves many professional rights and responsibilities. Nursing pins are traditionally presented to the recently graduated nurses by the faculty at a pinning ceremony as a symbolic welcome into the nursing profession.

Florence Nightingale Pledge

This modified "Hippocratic Oath" was composed in 1893 by Mrs. Lystra E. Gretter and a Committee for the Farrand Training School for Nursing, Detroit, Michigan. It was called the Florence Nightingale Pledge as a token of esteem for the founder of modern nursing.

I solemnly pledge myself in the presence of this assembly, to pass my life in purity and to practice my profession faithfully. I will abstain from whatever is deleterious and mischievous, and will not take or knowingly administer any harmful drug. I will do all in my power to maintain and elevate the standard of my profession, and will hold in confidence all personal matters committed to my keeping and all family affairs coming to my knowledge in the practice of my calling. With loyalty will I endeavor to aid the physician in their work, and devote myself to the welfare of those committed to my care.
